Good of the Game

Commissioner Brenner commented on a sprinkler that was running at the community center in front of the pond and wet the concrete, and Natasha responded that it was for cooling down the kids on hot afternoons. She also mentioned the lights in the portals that were cleaned up. She asked if she could volunteer to clean those up, but Amy responded that we would rather have our maintenance staff take care of that maintenance.

Commissioner Teeter mentioned that the trail has cracks on them and Ron responded that that is due to tree roots but that it will be done on annual maintenance.

Chair Lee adjourned the meeting at 7:42 pm.

Respectfully submitted:

Rebekah Rodriguez
