CITY OF CAMPBELL WILL LIMIT NON-ESSENTIAL SERVICES

Campbell, California – Santa Clara County Public Health has issued an order for all residents to shelter in place. The order will take effect at 12:01 am on March 17, 2020 and will remain in place until April 7, 2020.

The intent of this order is to take proactive measures to help slow the spread of COVID-19. The order mandates that community members self-isolate in their places of residence. Individuals may leave their residence only to perform "essential activities" and must maintain social distancing of at least six feet from any other person when they are outside of their residence. Details on "essential activities" can be found in Section 10 of the "Order of the Health Officer of the County of Santa Clara."

The City of Campbell will be doing its part by continuing to limit all non-essential services. These measures have been implemented to comply with the order issued by Santa Clara County Public Health.

The City will continue to provide public safety services during this time, as well as the following online services:

- Report a Crime to the Police Department
- Submit a Concern to the Public Works Department
- File a Complaint to Code Enforcement

For updates on the City's current response and for department contacts, visit www.campbellca.gov/COVID-19. Updates and information are also shared on the City's social media accounts, including Facebook, Twitter, and Nextdoor.
