21.18.060 - Fences, Walls, Lattice, and Screens

Section 21.18.060 of the Campbell Municipal Code states that a fence, wall, lattice or screen not more than 6'-0" in height, may be allowed in all zoning districts as follows:

INTERIOR LOT

CORNER LOT

A fence, wall, lattice or screen not exceeding 3'-6" may be allowed in any required front, side, or rear yard in all zoning districts. The height of a fence, wall, lattice or screen shall be measured from the adjacent finished grade to the highest point of the fence. Further detailed standards for fencing are provided in section 21.18.060 of the Campbell Municipal Code.
