What is your specific interest in this appointment?

My wife and I recently purchased our first home here in Campbell and we couldn't be more pleased to live in such a beautiful place. I was born and grew up in the South Bay and have always had a lot of local pride.

I'm applying for the Civic Improvement Commission because in my personal and professional life, I'm always seeking new ways to improve people's experiences and find efficiencies.

This commission seems like a great way to continue to learn about my community and give back to it. Campbell's already come such a long way and is such a wonderful town, but I see so much more potential as it continues to grow. I'd love to be a part of that and thank you for considering me.

Degree(s) Obtained Bachelor of Fine Arts; Master of Science

What is your specific interest in this appointment?

As a 12 year resident of Campbell I've come to love and am a proud resident of my city. The " Art Outside the Box" artwork appeals to my inner artist and everytime I see a painted utility box it reminds me of how special and unique our little city is. Campbell beautification is an area that I would like to explore. Also, as an active member on Nextdoor Campbell I am aware of the issues that concern our neighbors regarding homelessness, health & welfare needs. I've been able volunteer with fellow residents during toy drives, blood drives, etc. and hear their concerns. I would like the opportunity to explore the areas of health & welfare services for Campbell residents. Overall, I want to be a part of keeping our city unique and would appreciate the opportunity to serve on your committee. Thank you.
