<b>CITY LEGISLATIVE SUB-COMMITTEE PRIORITIES</b>				
AB 1944 Local Government: Open and Public Meetings  <i>(Set for Hearing 5/4/22)</i>	Lee; Garcia	The Ralph M. Brown Act requires meetings of a legislative body of a local agency to be open to the public and allow all members of the public to attend and participate. The Act also contains provisions regarding the timelines for posting an agenda and allows for meetings to occur via teleconferencing subject to certain requirements. This bill would require the agenda to identify any member of the legislative body that will participate in the meeting remotely. This bill would also authorize, upon a determination by a majority vote of the legislative body, a member to be exempt from identifying the address of the member’s teleconference location in the notice and agenda or having the location be accessible to the public, if the member elects to teleconference from a location that is not a public place. These provisions would be repealed on January 1, 2030. <i>(Based on text dated 4/18/2022)</i>	<b>Support</b>	<b>Support In Concept</b>
AB 2062 Local Law Enforcement Hiring Grants  <i>(Referred to Suspense File – 4/27/22)</i>	Salas	This bill, upon appropriation of funds and until January 1, 2029, would require the Board of State and Community Corrections to establish a grant program to provide \$50,000,000 in grants to local law enforcement agencies to incentivize peace officers to work in local law enforcement agencies that are in underserved communities and to live in the communities that they are serving. The bill would require funds to be used to provide a 5-year supplement to peace officer salaries in local law enforcement agencies that are in underserved communities that have had a homicide rate higher than the state average for the past 5 years or more and where the peace officer lives within 5 miles of the office in which they work.	<b>Support</b>	<b>Support</b>

AB 2063 Density bonuses: affordable housing impact fees  <i>(Amended and Re-referred to Com. on APPR. – 4/25/22)</i>	Berman	The Density Bonus Law requires a city to provide a developer that proposes a housing development with a density bonus and other incentives for the production of lower income housing units, or for the donation of land within the development, if the developer agrees to, among other things, construct a specified percentage of units for very low income, low-income, or moderate-income households or qualifying residents, including lower income students.  This bill would prohibit affordable housing impact fees, including inclusionary zoning fees and in-lieu fees, from being imposed on a housing development’s density bonus units, unless the city has adopted a local density bonus ordinance or established a local housing program, on or before January 1, 2022, that allows for a density bonus of at least 50% for any for-sale or rental housing development containing restricted affordable units that dedicates a specified percentage of units for extremely low, very low, low-, or moderate-income households.  <i>(Based on text dated 4/21/2022)</i>	<b>Watch</b>

AB 2181 Santa Clara Valley Transportation Authority: Board of Directors  <i>(Amended and Re-Referred to Coms. on L. GOV. – 4/19/22)</i>	Berman	<p>Existing law creates the Santa Clara Valley Transportation Authority (VTA) with various powers and duties relative to transportation projects and services and the operation of public transit in the County of Santa Clara and vests the governance of VTA in a 12-member board of directors, with 2 representatives of the County of Santa Clara who are members of, and appointed by, the county’s board of supervisors, 5 representatives of the City of San Jose who are city council members or the mayor and appointed by the city council, and 5 representatives of the other cities in the county who are city council members or mayors of those cities; each member serving 2-year terms.</p> <p>This bill would, on and after July 1, 2023, revise the membership of the board of directors to instead consist of 2 representatives of the county who are community members and appointed by the president of the board of supervisors with board of supervisors’ approval, 5 representatives of the City of San Jose, including 2 city council members or the mayor and 2 community members, appointed by the mayor with city council approval, and 5 representatives of the other cities in the county, including at least 2 community members and 2 city council members or mayors of those cities, elected through a ranked choice voting process by the city councils of those cities. The bill would, on and after July 1, 2023, authorize the board to include ex officio nonvoting members from regional transportation or governmental bodies and would increase the directors’ terms of office to 4 years.</p> <p><i>(Based on text dated 4/18/2022)</i></p>	<b>Watch</b>	<b>Support with Concerns – Letter Sent to Chair of Com. on L. <p>AB 2234</p> <p>Planning. Housing. Post-entitlement Phase Permit</p> <p><i>(Do Pass as Amended and Re-refer to Com. on APPR. – 4/27/22)</i></p>	<p>R. Rivas</p>	<p>The Permit Streamlining Act, which is part of the Planning and Zoning Law, requires each public agency to provide a development project applicant with a list that specifies the information that will be required from any applicant for a development project. The act requires public agencies to approve or disapprove of a development project within certain specified timeframes and requires a city, county, or special district to provide specified information, including a current schedule of fees, exactions, and affordability requirements applicable to a proposed housing development project, and an archive of impact fee nexus studies, cost of service studies, or equivalent studies, conducted by the city, county, or special district, on its internet website.</p> <p>This bill would require a public agency to compile a list of information needed to approve or deny a post-entitlement phase permit, to post an example of an ideal application and an example of an ideal complete set of post-entitlement phase permits for the most common housing development projects in the jurisdiction, and to make those items available to all applicants for these permits no later than January 1, 2024. The bill would also require, no later than January 1, 2024, a public agency to require permits to be applied for, completed, and stored through a process on its internet website, and to accept applications and related documentation by electronic mail until that internet website is established. The bill would also require the internet website or electronic mail to list the current processing status of the applicant’s permit by the public agency, and would require that status to note whether it is being reviewed by the agency or action is required from the applicant.</p> <p><i>(Based on text dated 4/6/2022)</i></p>	<p><b>Oppose</b></p>

AB 2449 Open Meetings: Local Agencies. Teleconference  <i>(Set for Hearing – 5/4/22)</i>	B. Rubio	The Ralph M. Brown Act allows for meetings to occur via teleconferencing if the local agency notices each teleconference location of each legislative body member that will be participating in the public meeting, provides each teleconference location to be accessible to the public, allows members of the public to address the legislative body at each teleconference location, posts an agenda at each teleconference location, and requires at least a quorum of the legislative body to participate from locations within the boundaries of the local agency’s jurisdiction. The Act further provides that, until January 1, 2024, a local agency may use teleconferencing without complying with these teleconferencing requirements during a declared state of emergency. This bill would authorize a local agency to use teleconferencing without complying with these teleconferencing requirements if at least a quorum of the members of the legislative body participates in person from a singular location clearly identified on the agenda that is open to the public and situated within the local agency’s jurisdiction.	<b>Support</b>	<b>Support in Concept</b>
SB 15 Housing Development: Incentives: The Rezoning of Idle Retail Sites  <i>(Held at Desk – 6/1/21; Failed Deadline per Rule 61(a)(11) – 7/14/21)</i>	Portantino	This bill would create an annual grant program to assist local government to rezone idle retail sites (big box or commercial shopping centers) for work force housing for lower- or moderate-income households with 55-year affordability term for a rental and 45-year term for ownership. This bill would define idle as 80 percent of leased or rentable square footage not occupied for at least one year. Brown Act requires every agenda for regular meetings to provide an opportunity for members of the public to directly address the legislative body on any item of interest to the public, before or during the legislative body’s consideration of the item. The Act also authorizes the legislative body to adopt reasonable regulations to ensure that the intent of the provisions relating to this public comment requirement are carried out, including regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker. The Act also authorizes the members of the legislative body conducting the meeting to order the meeting room cleared and continue in session if a group or groups have willfully interrupted the orderly conduct of a meeting and order cannot be restored by the removal of individuals who are willfully interrupting the meeting. This bill would authorize the presiding member of the legislative body conducting a meeting to remove an individual for disrupting the meeting. The bill would also require removal to be preceded by a warning that the individual is disrupting the proceedings, a request that the individual curtail their disruptive behavior or be subject to removal, and a reasonable opportunity for the individual to curtail their disruptive behavior. <i>(Based on text date 4/21/2022)</i>	<b>Watch</b>	<b>Support in                      Concept /                      Watch</b>

SB 1297 Low-Embodied Carbon Building Materials; Carbon Sequestration  <i>(Amended and Re-referred to Com. on APPR. – 4/27/22)</i>	Cortese	The California Global Warming Solutions Act of 2006 charges the State Air Resources Board with monitoring and regulating sources of emissions of greenhouse gases and requires the Board, by July 1, 2023, to develop a comprehensive strategy for the state’s cement sector to achieve net zero-emissions of greenhouse gases used within the state as soon as possible, but no later than December 31, 2045.  This bill would require the Energy Commission to develop a plan to advance low-carbon materials and methods in building and construction projects that details a strategy and recommendations to minimize embodied carbon and maximize carbon sequestration in building materials. The bill would also require the board to develop an accounting protocol to quantify embodied carbon and carbon sequestration in building materials. Following the adoption of that protocol, the bill would require the Natural Resources Agency to incorporate projects using low-embodied carbon building materials or carbon sequestration in building materials into the California Carbon Sequestration and Climate Resiliency Project Registry. The bill would require the Office of Planning and Research to evaluate the circumstances in which the use of low-embodied carbon building materials or carbon sequestration in building materials is an acceptable mitigation measure pursuant to the California Environmental Quality Act.  <i>(Based on text date 4/27/2022)</i>	<b>Watch</b>

SB 830 Education Finance: Supplemental Education Funding  <i>(Set for                      Hearing –                      5/2/22)</i>	Portantino	<p>Existing law establishes a public-school financing system that requires state funding for county superintendents of schools, school districts, and charter schools to be calculated pursuant to a local control funding formula that includes average daily attendance. Existing law requires the Superintendent of Public Instruction, on or before February 20 of each year, to make a first principal apportionment of funds and, on or before July 2 of each year, to make a 2nd principal apportionment of funds to each local educational agency.</p> <p>This bill would define “average daily membership” as the quotient of the aggregate enrollment days for all pupils in a school district, county office of education, or charter school, from transitional kindergarten to grade 12, inclusive, divided by the total number of instructional days for the local educational agency in an academic year. The bill would require a local educational agency’s average daily membership to be calculated using data from the same fiscal year or years that the local educational agency used to calculate its average daily attendance for purposes of state apportionment. The bill, commencing with the 2022–23 fiscal year, would require a local educational agency that submits enrollment data to the Superintendent and demonstrates a maintenance of effort to address chronic absenteeism, as provided, to receive as supplemental education funding the difference between what the local educational agency would have received under the local control funding formula based on average daily membership and what the local educational agency received under the local control funding formula based on average daily attendance for that fiscal year, as provided. The bill would require local educational agencies to use at least 30% of their supplemental education funding to either supplement or supplant existing local educational agency expenditures to address chronic absenteeism and habitual truancy.</p>	<b>Watch</b>
