NOTICE OF TREE REMOVAL PERMIT APPLICATION

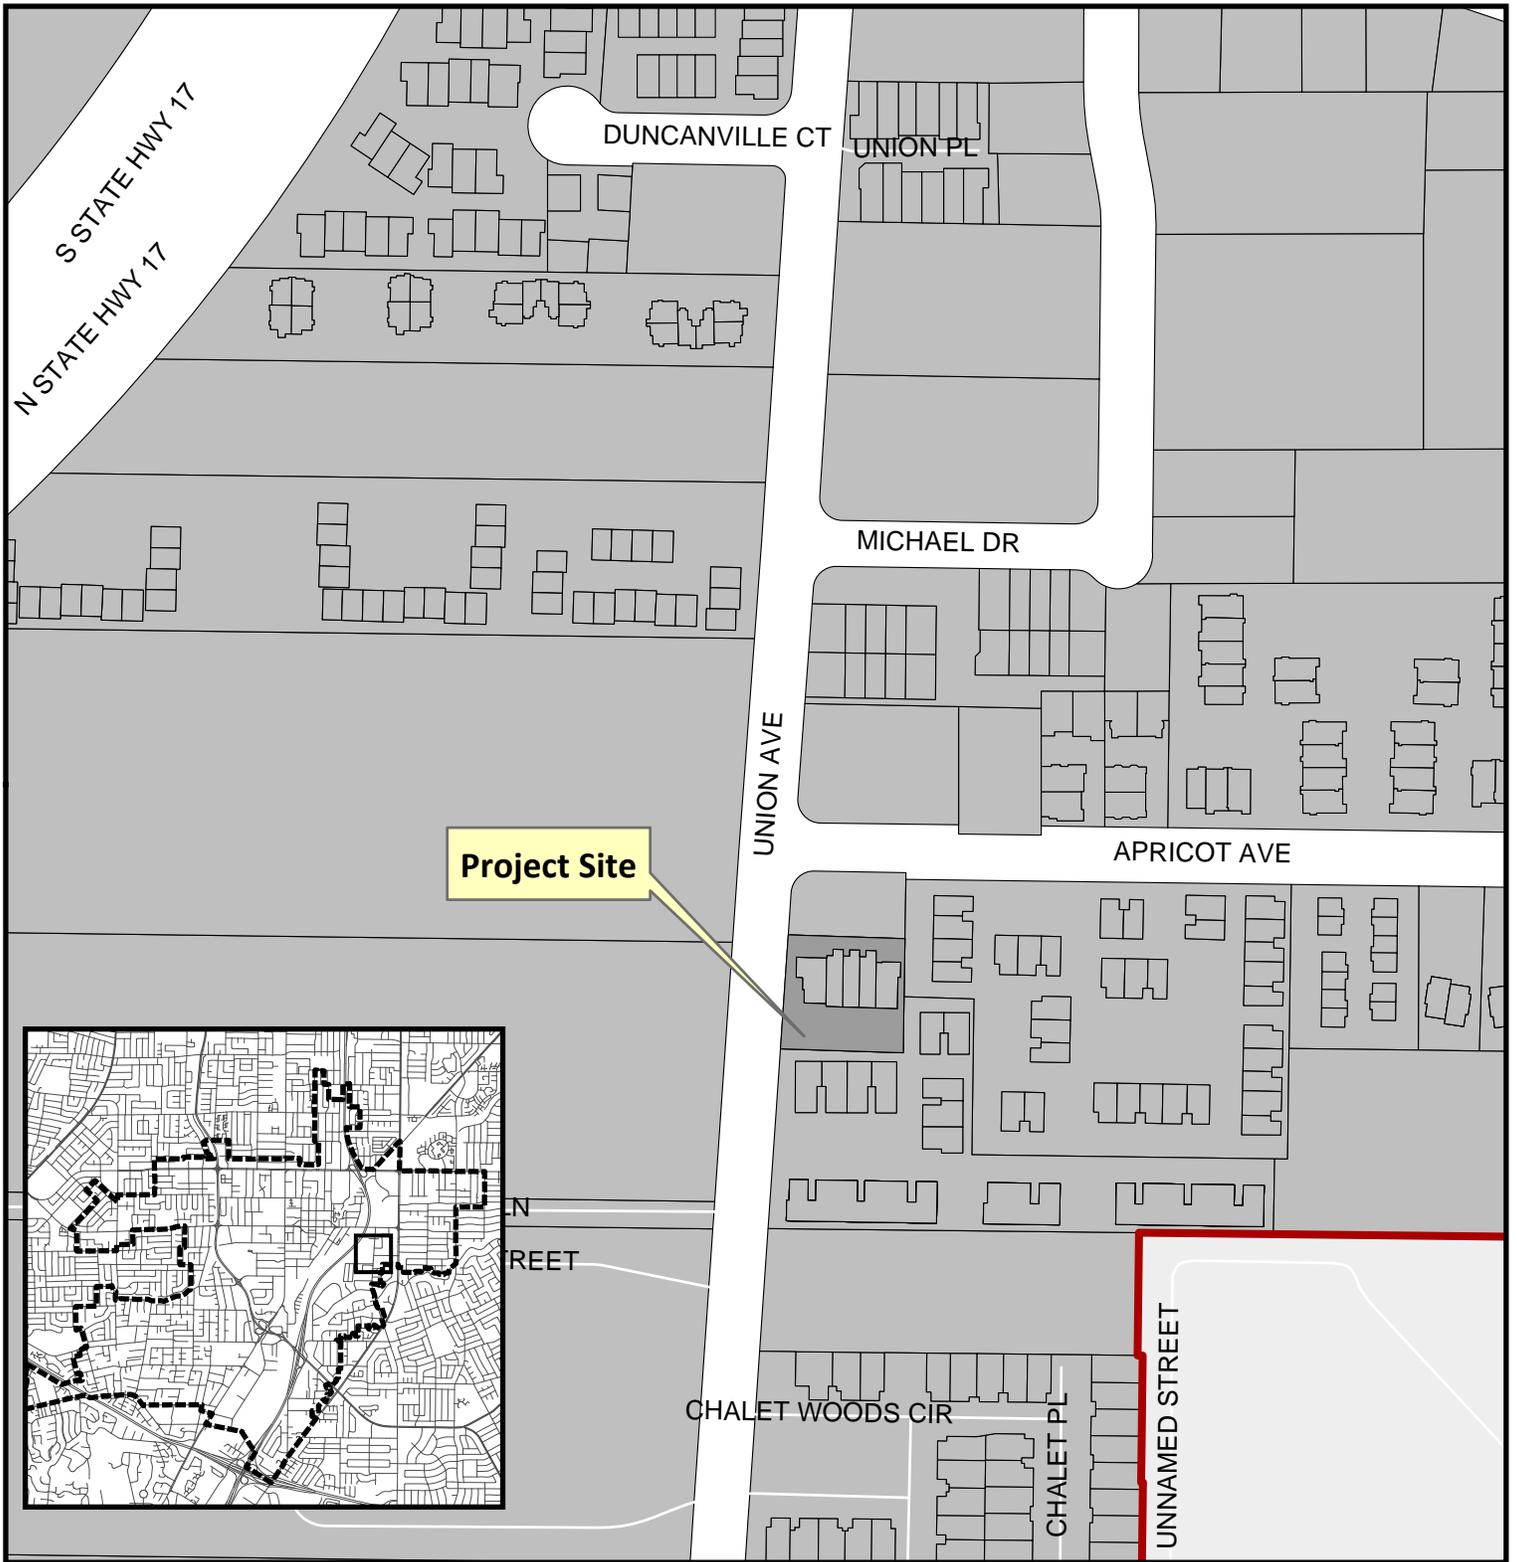

Notice is hereby given that the Community Development Department of the City of Campbell has received an application for a Tree Removal Permit (PLN2017-213) for the removal of one (1) Chinese Elm tree located at the southwest corner of **262-278 Union Avenue** due its location within a planned biofiltration basin. If approved, removal of the tree is subject to the replanting requirement of the Campbell Municipal Code.

This is your opportunity to provide comments. The 10-day comment period for this application will begin on August 11, 2017, and end on August 21, 2017. Comments regarding this application must be submitted in writing (including email) to the Planning Division before 5:00 p.m. on **August 21, 2017**. No additional notice will be provided. A copy of the Tree Removal Permit application, and all associated documents, are available for review from 8:00 a.m. to 5:00 p.m. at the Community Development Department, City Hall, 70 North First Street, Campbell, California and on the City's 'Public Notices' web page (<http://www.cityofcampbell.com/501/Public-Notices>) under 'Administrative Decisions'.

Decisions by the Community Development Director are final in 10 calendar days following the date of approval, unless an appeal is received in writing (including email) at the Community Development Department, 70 N. First Street, Campbell, prior to the end of the appeal period. A written appeal must be accompanied with the required \$750 appeal filing fee.

Questions or comments regarding this application may be addressed to Naz Pouya, Planning Technician, in the Community Development Department at (408) 866-2144 or nazp@cityofcampbell.com.

RE: 258 Union Avenue

Dear Planning:

I am submitting a Tree Removal Application for the above mentioned project. As a background this project is currently under development and is nearing completion.

The approved plans call for the removal of one 18" elm tree which is highlighted on the attached plan set. This tree is also shown on the main planning set under page C-1. All approved plans have also been scanned to the City server.

As part of the approvals for this development an approved landscape plan took into consideration the replanting requirements of this removal.

The reason why this tree is being removed is because it is located in a bio-retention area. The bio-retention areas need to be free of trees in order to properly filter and mitigate excessive storm water runoff.

If you have any questions, please feel free to contact me.

Sincerely,

Jeffrey Mar
