NEW SHELTER IN PLACE RESTRICTIONS – CONTINUED LIMITS ON CITY NON-ESSENTIAL SERVICES

Campbell, California – Santa Clara County, along with six other Bay Area jurisdictions, have issued an update to the [Shelter in Place Order](#) with new restrictions set to last until 11:59 pm on May 3, 2020.

The intent of this order is to slow the spread of COVID-19 and preserve critical hospital capacity across the region.

The new order will supersede the previous order and go into effect at 11:59 p.m. on Tuesday, March 31. It is a complement to the indefinite statewide stay-at-home order issued by Governor Newsom earlier this month.

The new order includes the following additional directives:

- Use of playgrounds, dog parks, public picnic areas, and similar recreational areas is prohibited. These areas must be closed to public use.
- Use of shared public recreational facilities such as golf courses, tennis and basketball courts, pools, and rock walls is prohibited. These facilities must be closed for recreational use.
- Sports requiring people to share a ball or other equipment must be limited to people in the same household.
- Requires essential businesses to develop a [Social Distancing Protocol](#) before April 3.
- Most construction—residential and commercial—is prohibited.
- Funerals limited to no more than 10 people attending.
- Essential businesses expanded to include service providers that enable residential transactions (notaries, title companies, Realtors, etc.); funeral homes and cemeteries; moving companies, rental car companies and rideshare services that specifically enable essential activities.

- Essential businesses that continue to operate facilities must scale down operations to their essential component only.

Please remember the overall goal of this order and do your part to protect those working the front lines and your loved ones. We understand the challenges this global pandemic has brought to everyone and we appreciate the various ways our community has come together to show their support.

The City of Campbell offices will remain closed during this time and continue to provide essential services to the public. City staff is working to ensure these guidelines are being met and are ready to respond when needed to enforce additional restrictions the order may impose.
