Contractor's License Number 303609

**SUBJECT: TOWN OF LOS GATOS – Project #20-811-9901 FY 2020/21
Street Repair and Resurfacing (Slurry Seal/Rubber Cape Seal)**

ATTN RESIDENT – NOTICE OF UPCOMING ROADWAY CONSTRUCTION ACTIVITY

Pavement Coatings Co. has been contracted by the Town of Los Gatos to make street improvements to your neighborhood. We will be providing a variety of treatments to your local streets to improve aesthetics, rideability, and to extend the life of the pavement. Starting August 2nd and throughout the next 6-8 weeks various construction activities will take place on various locations including crack filling, pavement dig outs, asphalt rubber chip seal, slurry seal, and striping. These processes may require temporary road closures, temporary lane closures, moving closures, and pilot car operations. Access to the street and/or driveways may be delayed or restricted while work is in progress. Once completed, vehicles may be parked on the street. Please note that different scopes of work require different levels of street closures. Please mind all traffic control signs, devices, pilot cars, and personnel while your street is under construction. Please observe the “No Parking” Signs that we will place on your street 72 hours before the work begins; any vehicle left on the street within the posted “No Parking” zone will be towed at the Owner’s expense.

Street parking and travel may be restricted from 7:00am to 5:00pm for all traffic. Please park in your driveway or if you anticipate needing your vehicle during closure hours please park on an adjacent street prior to and during the above hours.

Emergency vehicles will always have access through the area. Scheduled garbage and recycling pickups will not be disrupted during this work.

Your cooperation will be sincerely appreciated. Every effort will be made to complete the work as rapidly as possible with minimum inconvenience to all residents. You will receive additional notices and updated “No Parking” Signs prior to each additional major treatment.

If you have any questions, please call the office at (916) 642-1751.

The Town of Los Gatos and Pavement Coatings Co. thank you for assisting us in maintaining your streets.

Slurry Seal Resurfacing . . . It Makes a Difference
