

Sponsorship /Donation Form

City of Campbell – Civic Improvement Commission “Neighborhood & City Monument Signs Project”

The City of Campbell’s Civic Improvement Commission (CIC) is seeking sponsors and donations to support a project that will enrich Campbell’s community identity, foster community pride, and promote local businesses while bringing a sense of belonging and celebration of the history of specific neighborhoods to its residents, community business owners, and visitors within the City of Campbell.

Working with neighborhoods, the CIC would like to identify locations and designs for signage that would identify the name of particular neighborhoods and signs that say “Welcome to the City of Campbell” that are located in certain locations as you enter the City’s boundaries.

Targeted neighborhoods would include Campbell Village, Central Hazelwood, Four C’s, Hamann Park, Moreland West, Pruneyard-Dry Creek, San Tomas, Westmont and Westchester Park neighborhoods.

We are pleased to recognize your contribution to our Neighborhood & City Monument Signs Project with an appropriate plaque as outlined in the sponsorship levels. Your contribution will greatly assist in our efforts and provide your business or association with recognition for your anticipated generous contribution.
