COMMISSION NOW ACCEPTING SOCIAL SERVICE SUBGRANT APPLICATIONS

The Civic Improvement Commission (CIC) is accepting applications for social service subgrant funding for FY 2018 and FY 2019. The biennial social service subgrant funding is open to social service providers that provide social services to Campbell residents. The deadline to submit applications to the City is Tuesday, January 31. Applications and additional information are available on the City of Campbell's website at www.cityofcampbell.com. Applications can be submitted via e-mail, mail delivery and in-person to the City Manager's Office by the deadline.

Following the application deadline, the CIC will review applications in preparation for public hearings scheduled for March and April, during which time the CIC will furnish funding recommendations to the City Council.

The CIC is the lead advisory body to the City Council on matters related to social services. Primarily, the CIC is responsible for making recommendations to the City Council on allocating the City's social service sub-grant funds to qualified social service agencies via a competitive application and selection process.

The City Council authorizes social service subgrant allocations in the two-year budget cycle approval process. The City Council appropriated $50,000 for FY 2016 and $60,000 for FY 2017 funding cycles.

The social service subgrant application and review timeline is as follows:

- Application deadline: January 31
- CIC review of applications: February 9 and March 9, 2017
- CIC holds public hearings: March 9 and April 13, 2017
