I. INTRODUCTION

The Campbell Community Center is a unique community service complex. The site, which formerly housed the city's only high school, was purchased by the City of Campbell from the Campbell Union High School District in August of 1985. The facility was purchased primarily for the purpose of preserving its open space and recreational facilities for the use and enjoyment of the citizens of Campbell. An added highlight was the preservation of the beautiful historic buildings that front Campbell Avenue. Many of the classroom buildings are leased to various non-profit organizations, educational institutions, and small businesses for the purpose of generating revenue to off-set the facility's operational costs. The City reserves specific areas to house the variety of recreation programs offered for citizens of all ages. The offices for the City's Recreation and Community Services Department are located on-site (Building C, Room 31).

When the City is not using the facilities for its classes and programs, it makes them available to the community for social, educational, athletic, and cultural activities. The available facilities include two banquet halls, several meeting rooms and classrooms, two gymnasiums, the football field, the plaza and adjacent athletic fields. In 2004 the City opened the newly renovated 800-seat Heritage Theatre. The policies governing the use of this facility are not contained within this policy and, are available by contacting the Theatre Manager at (408) 866-2797 or visiting our website at www.campbellca.gov.

The purpose of the Building Use Policy is to assure that the facilities are utilized for recreational, cultural, educational, social and community service functions that meet the needs and interests of the community, as well as to set clear policies, procedures, regulations, and rental fees regarding such uses.

City staff will not accept or be held responsible for cancellations made by telephone. The earlier the notice is provided, the greater the refund of use fees. The refund schedule has been set to cover City costs and loss of potential revenues. **NOTE: Cancellations will only be accepted from the Permittee (the person who submitted the reservation request and signed permit waivers), not from anyone else acting on their behalf. This policy is designed to prevent the unauthorized cancellation of an event.**
